2012 Napa Valley Red Wine

The Cabernet Sauvignon-based 2012 Red Blend is a dark, beguiling beauty. Plums, dark red cherries, smoke, cloves and new leather flesh out as this effortless, engaging wine shows off its juicy, super-inviting personality. This pliant, expressive red will drink well over the next decade. The style is a bit riper and more voluptuous than the Cabernet Sauvignon.

- Antonio Galloni, December 2014
