2019 Mourvèdre Red Hills Lake County

The 2019 Mourvèdre Red Hills Lake County emerges from Fore Family Vineyard, a site planted at 3,000 feet in elevation atop Cobb Mountain. Not surprisingly, the 2019 is full of earth, spice and brambly notes, while the fruit lies more in the background. Bright acids and veins of tannin cut through it all, lending notable energy. This is one of the most distinctive American Mourvèdres I have tasted in a long time.
